## Expert Conference

### “Time to Act - A Mandatory Identification and Registration (I&R) for dogs and cats in Germany and Developments in the European Union”

#### Speaker of the conference

#### Pier Giovanni Capellino

- President, Fondazione Capellino Almo Nature

#### Abstract: Welcome Speech

„Responsible Ownership“ of cats and dogs, has top priority at Almo Nature and Fondazione Capellino. The „Companion Animal For Life“ project paved the way, focusing on improving animal welfare across Europe. This project includes the following measures: „Adopt Me“ promotes the adoption of cats and dogs from animal shelters and animal welfare associations, with „Love Food“, the Fondazione Capellino supports animal shelters in emergency situations with food and „Respect Me“ is committed to the complete identification & registration of animals in Europe. Fondazione Capellino and Almo Nature are the proud sponsors of this year’s conference „ A Mandatory Identification and Registration (I&R) legislation for dogs and cats in Germany and further developments in the EU“ of the „Identification & Registration Network (I&R)“.
